Happy 20th Anniversary, TABOO! We have an exciting issue in store for you. So many fuckable slaves, so little time.

Our gorgeous covergirl Scarlett Sage makes her TABOO debut sporting latex and sparkly pantyhose. Scrumptious! A ten by anyone's measure. Scarlett suffers so sweetly while getting her tender, tiny pussy whipped. Her pleading blue/green eyes mesmerize. Perfection personified.

Amilia Onyx graces the pages shot by

Dave Naz. This ample-breasted young woman holds up handsomely under the strictest, tight web of bondage. How does she do it?

There's the bratty cheerleader Ember Snow. She's a tough chick, so watch out! She might just turn the tables and beat your ass. Lightworship keeps her in check, for now.

Thank you for your support over the last 20 years! Enjoy! —Cynthia Patterson, Creative Director

When did you start fetish modeling?

This is my first fetish modeling shoot. I enjoyed it well enough. I've only been in the industry for less than a year now.

Are you in a fetish lifestyle partnership or would you want to?

I'm in a relationship, but it's not fetish. My boyfriend has spanked me a couple times. He could use a few lessons, actually! I think he goes too easy on me. Sometimes I can be a real brat!

Why did you want to shoot for TABOO?

I was curious about bondage. I just wanted to experience it. I've never done this kind of stuff before. I wanted to see how it felt to be a submissive. And before I even got into the industry, I followed HUSTLER Magazine, and I watched *The People vs. Larry Flynt*. I know porn is not always well-accepted, but I think that TABOO Magazine breaks those boundaries and shows the public that it's not so bad. Plus, I like magazines. They are old-school and probably not going to be around that much longer. I hope not! It gives me something to keep forever, to remember how hot I am!

What did you think of the shoot today?

It wasn't too bad, but I'd still rather be the dominant one. I like to be the aggressor, but I probably wouldn't mind if a woman dominated me, though. Surprisingly, I did get a little excited today during the shoot! I did not expect that at all. I also really like the idea that guys are going to jerk off to my photos in the magazine! I close my eyes and can picture that. That is such a turn on! I love to be looked at; that gets me excited. I am an exhibitionist, so this is the perfect job for me!

When were you excited on the set?

When you were shoving that dildo in my mouth and in my pussy at the same time! I felt completely helpless. I liked that for that moment. I'm usually in control.

What is the wildest thing you've ever done on set or in front of a camera?

I think the wildest thing I've done is this photo-shoot.

Second wildest would be when I was a Dominatrix.

What did you do as a Dominatrix?

I was dressed in leather with really high boots. I used a cane on the guy's ass over and over. It made him bleed! I spit on him and punched him. I humiliated him. I enjoyed it very much! I even scratched my name on his back so he would never forget it. For fun, I kicked him in the balls before I walked out and off the set!

That sounds like quite a scene. Where did you learn how to do all that?

I taught myself on set that day. The director asked me to do it, so I did it! I felt confident that I could pull it off. It's not a stretch for me though. I was a very tough girl growing up! One time, a boy hit me and I vowed that would be the last time. I used to get in fights on the playground with boys and beat the shit out of them. The smart ones never messed with me!

Did you get in trouble for that?

Trouble? What trouble? I didn't care. I wanted to get out of school as quickly as possible. High school is so immature. I always thought I was way beyond their intelligence and street smarts.

What did you think about being spanked today?

It actually wasn't so bad. I was thinking it was going to be harsher, kind of like what I did to that other guy. The paddle was the most intense. It hurt, but not that much, really. You should get some better paddles, stronger I mean. Maybe a cane or two.

Have you ever been pissed on or pissed on someone?

No, I'm so vanilla! LOL! Fuck! What a great idea! That's what I should have done to that guy—piss all over him! Next time I will!

What would you like your fans to know about you?

I love my fans! My fans mean everything to me. Where would we be without our fans? Nowhere! If any of my fans would like to contact me directly, they can reach me at AskEmberSnow@gmail.com.

URINATION NATION

PHOTOS BY SEXKICKS

I love peeing outside in the fresh air. I've always been a bit of a naturist I suppose. If I am some place where I can run outside and cop a squat, that is exactly what I do. I shoot out the furthest streams when outside too! I try to be as discreet as possible, but sometimes I surprise people! I like to see the puddle I leave behind. It's my mark.—*Simone*

FETISH FOCUS

Diapered Deviants

Some perverts just refuse to grow up. The adult world with all its pressures and demands, and the scant comforts it offers, is less attractive than the soft, pink, womb-like security of the nursery to those who identify as infantilists. To them, baby bottles, diapers and cradles are fetish totems as powerful as corsets and high heels are to more conventional BDSM players, though at the core there lie overlapping desires for absolute helplessness and total control. Not surprisingly, all-powerful mother figures occupy as a central role in the infantilist fantasy as goddesslike dominas do in the submissive imagination. However, if the conventional domina seizes power and wields it with deliberate sadism, the "mominatrix" of the adult baby's fantasies is a more nurturing figure, though by no means always benignly so. She sees to the nourishment of her charges with breast and bottle, changes diapers soiled by the liberating loss of control that is the hallmark of the infantilized adult, and administers punishments and pleasures in the form of spankings, bathings and the occasional insertion of a rectal thermometer.

Unlike conventional sex slaves, adult infants have no responsibilities to serve or to please. Though their role is most certainly submissive, it is receptive rather than active and the helplessness signified by such favorite props as cradles and pacifiers is implicit in their fantasy identities, rather than imposed by physical restraints applied from without. Instead of the harsh scolding often expected of dominant partners, they crave baby talk and a soothing touch, though the humiliating physical intrusiveness of maternal care is certainly a source of arousal. And once aroused, the infantilist is no less focused on sexual satisfaction than any other kind of submissive. Though some light punishment for "naughty behavior" may accompany the masturbatory stroking that brings forth thoroughly grown-up orgasms, infantilists seek pleasure more than pain in their state of complete surrender to the care of their partners.

Long thought of as a largely masculine deviation, female infantilism has recently emerged as a kink in its own right. A visit to any BDSM-oriented social-networking site will quickly reveal a growing demand for "daddies" to supervise the care and feeding of "baby girls," though both parties may be closer to needing Depends than Pampers. But what both clearly crave is pampering, administered with a certain implacable authority. The nursery, like the dungeon, is ruled by an all-powerful, deified figure of ultimate power, and for the infantilist, complete surrender to that power is not so much a matter of will but a rejection of will in favor of unthinking sensual bliss absent any abstract thought. Mommy is there to minister to every need, and if in the process some discomfort is involved, the response to it can be completely spontaneous. Infantilism is the ultimate retreat from adult responsibility into the cossetted world of total sensory experience. It requires nothing of the infantilized adult, not even deliberate obedience, while

concentrating all initiatives in the sometimes loving, sometimes casually cruel hands of voluptuous maternity, or in the case of female infantilists, the stern but protective arms of the ultimate *pater familias*.

Given these psychological parameters, it's not surprising that infantilism is closely associated with urolagnia. The soiling diaper is the essential fetish object of infantilism, symbolizing liberation from even the most rudimentary self-control demanded by the world of grown-ups. The attending parental figure takes charge of the adult infant's wayward bladder, deciding when "baby" has enjoyed the initial warmth of the unleashed yellow tide and must now be stripped, cleansed, powdered and changed.

While such duties may be irksome inconveniences to actual parents during the first phases of a real infant's life, they're guilty delights to the partners of passive infantilists, who enjoy the total control their roles confer over their humiliatingly helpless charges. Once the "foreplay" of the nursery routine has resulted in demonstrable arousal to both parties, they're free to abandon their place and reassume the powers and privileges of full-grown sexual beings, pursuing the very different satisfactions of more conventional erotic expression. While infantilism sessions may not conclude with actual sexual intercourse, masturbatory orgasms are the logical outcome of this elaborate form of fantasy role-play.

When did you start doing porn?

I've been in the business for almost two years and I love it. So much fun.

Have you done fetish modeling before?

Yes, I've done some hard rope bondage and I was tied up in the trunk of a car. I've also done foot/leg/toe bondage. I've done it about four times so far.

What kind of fetishes do you like and do you have an interest in fetish in your private life?

I like feet. Some girls are like, "Eeeeww!" But not me, I'll suck on toes. But they need to be clean and pretty. Nice pedicures turn me on. I like eyebrows too. It's the first thing I notice about a person. I like butts, girls, not guys. I like to look at butts when I'm at the gym. One time I saw this amazing butt, they turned, it was a guy! LOL!

Have you ever been spanked?

Yes, but only in my personal life, not on camera. Today was my first big-girl spanking.

How did you like the nipple clamps?

Ouch! My nipples are not *that* sensitive, but depending on the clamp, it can hurt like hell! I'm glad they are not on any longer! I'm not sure if I could handle that again.

What is the kinkiest thing you've ever done?

I was on vacation with my boyfriend and we wanted to get "happily ever after" massages. I ended up having a female masseuse. She was rubbing my clit at the same time I was watching my boyfriend getting jerked off by another masseuse, and it was awesome. That got me so horny and wet. I was shocked.

Have you ever been pissed on or pissed on someone?

I love getting pissed on, especially on my bush. That's like a fetish of mine. I love getting pissed on all over my body. I'll just shimmy into the stream and rub it all over my body. I like the dominance of the act. To me it's like marking your territory. That's what makes me want it and love it. It's such a turn on.

What do you think about anal sex?

I love it! I'm really good at it. Sometimes I just use spit. It's more of a personal thing for me; I haven't done it in my professional life yet.

Are you more submissive or dominant in your personal life?

I am very submissive to my boyfriend. It's a totally different ballgame when I'm with girls. It's like this sexual

beast takes over, and I'm like, "I want to fucking dominate you in your pussy!" I can't control it. Sometimes they will let me continue with that, and other times, if I'm supposed to be in a submissive role, they make me stay in character. It's hard sometimes. I get carried away! LOL! I work well with the girls and I try to help them with their process too.

Do you consider yourself bisexual?

Yes, of course! I was always bi-curious when I was in high school. I was 14 when I started having these temptations to be with a girl. There was this girl who was bisexual. We were really good friends and I asked her if she would try it with me. I was nervous about it. I didn't eat her out, but I touched her pussy and rubbed her off. We made out and cuddled. Then she told everyone at my school, and I was so embarrassed! People gave me such a hard time! I pretended to be straight for years after that. It sucked, because I really didn't know that I was bisexual until I got into the industry. The first time I had full-on sex with a woman on camera, I had a connection and I was like, "Oh yeah, I'm definitely bisexual." I made a decision to do girl/girl only. I love being around beautiful women. Some performers do gay for pay; I'm not that girl. I'm not judging, I'm just saying that, for me, I love girls and I think that chemistry comes across on camera.

You have some bush, but most girls in the industry are totally shaved. Why did you decide to keep your bush?

I have tried everything! I used to shave smooth. I had a landing strip. Then I was like, "Fuck the landing strip! I want a bush!" It took awhile to get the trim just right, but now it's perfect for me!

Do you like to be spanked during sex?

Yes, I like it, especially when I am in the zone, very excited. I can take anything...choking, choking to the point of almost passing out, hard spanking, anal, etc. I'm a different person when I'm turned on; I become a sexual demon!

Is there anything else you'd like the TABOO readers to know about you?

My fans can see exclusive graphic content on my private pulse website/app. They can donate, and I keep it updated constantly. I love this industry. It has made me grow into the sexual being that I am now. I put a lot of time and effort into everything I do. Thank you to everyone who has helped me along the way, and thank you to all my fans! You keep me going!

When did you start fetish modeling?

Well, I knew that when I first decided to get into this industry that I wanted to do BDSM and bondage stuff. I have always been attracted to kinky things. I guess I liked the way it looks. It's kind of scary but really sexy at the same time. My first fetish shoot was a girl/girl foot and leg theme. Feet are fine, but I go for the BDSM.

What kind of fetishes do you like and do you have an interest in fetish in your private life?

I really like BDSM. I like ropes, chains, collars, leather and being tied up in crazy knots. I also have a temperature fetish. I really enjoy ice cubes, and I want to try hot wax.

Are you submissive, dominant or a switch?

I'm mostly a submissive. I feel like you should know what it feels like before you try it on someone else. I'm getting quite an education. My Top is really gentle at just the right time, but knows exactly when to discipline me and when to turn up the heat!

Why did you want to shoot for TABOO?

I have seen the magazine and always wanted to be in it. It is different than any other magazine. Plus it is the only one that has BDSM all the time. It has been a really fun experience!

Have you ever been spanked?

Yes, I love being spanked. I can be spanked for hours. But at some point I need to be fucked too!

What is the wildest thing you've ever done on set or in front of a camera?

Just recently, while experimenting with my sexuality, I figured out that I'm attracted to Trans. Not too long ago I had sex with my first Trans! That was amazing! I've had threesomes and foursomes too. I really would like to try glory hole stuff and orgies. I like to push my boundaries and get out of my comfort zone.

Have you ever been pissed on or pissed on someone?

No. This is my first time. I think I would like to experiment with water sports more. I am open to the idea.

What do you think about anal sex?

I think it's really hot. I just recently started doing it again. I can have a wicked powerful orgasm with anal. The stimulation is almost too much sometimes. It's great!

Are you more interested in the art of fetish modeling or the sex of fetish porn?

Both. Because it is art, it's a beautiful expression of sexual power. But fetish porn is so much fun to do!

Is there anything you'd like the TABOO readers to know about you?

There's a lot more to come! Keep coming back!

Are you in a fetish lifestyle partnership or would you want to?

Yes, we do a lot of the BDSM role-playing and I want to start experimenting with my temperature fetish. That will be fun.

MARCUS AND JULIE COMING CLEAN

PHOTOGRAPHER
DAVE NAZ

A dirty kitchen floor just won't do. Julie finds herself roped to the chair, her tits bristling with clothespins. If she likes things messy, no problem. Master Marcus flips her down, splaying her ankles with a mop handle. He skull-fucks her mercilessly, pausing only to sit on her face so Julie can suck his nuts and rim his ass properly. Attempts to please are of no avail, earning her additional bouquets of wooden pegs for her tongue and pussy lips. Extra tender down there, she really feels it when he fucks her with his massive slab, and her helpless twitching yanks fiendishly at ropes attached to her pinned parts. Of course, coming makes it all worse, but she can't help that, anymore than she can help it when he ass-fucks her on the kitchen table, circling around to make her slurp the slime from his dick. It's all beyond her control now, including her chain-reaction climaxes while he buggers her over the chair with her arms in the leather sleeves. Bundled on her knees, Julie takes his facial blast full force, gulping frantically to avoid spilling Master's precious jizz.

Thoroughly slimed, inside and out, it's Julie herself who needs cleaning up now, first with a hot hosing in the tub, followed by a high, hot colonic she must expel while he watches. Just wait until he finds out that she forgot to vacuum the living room too. Her domestic skills may be lacking, but Julie knows how to keep herself employed.

TABOO[®]

SEPTEMBER/OCTOBER 2018
ON SALE JULY 24, 2018

The exotic Domme Milana May visits TABOO next month. Her long tresses and mean cane add so much to her allure. She is more than ready to put you in your place where you belong.

Nia Nacci, the leggy beauty in a retro panty girdle and silky nylons gets tied wide open. Her shyness is about to be exposed.

Then there's Sabina Rouge. Sweet, succulent and ready to be picked. So sophisticated in her finery, this elegant, kept lady gets punished in all the right places.

See you next time, don't miss it! There is no other magazine like TABOO. We are the only one.

THE EROTIC REVIEW

WORLDS BEST REVIEW PLATFORM FOR ADULT ENTERTAINMENT

Completely edible looking, from the colour of her skin, to the smoothness to the touch, to her shape.....

Yes, I could go on and on.

When she showed up at my room I was paralyzed just looking at her. Beautiful!!!

Man, her eyes were so beautiful. Those are the eyes you would wanna wake up to, every morning.

I felt like Vincent Vega cruisin' along in his convertible sporting a euphoric grin wallowing in his long sought after euphoria.
